# Ganges Mahamudra Practice Instruction Teaching

## With His Eminence Garchen Rinpoche

For over a thousand years, the Ganges Mahamudra Instructions have been passed down through an unbroken lineage of realized teachers. This short instruction is considered the source text of all Kagyu doctrine in general, and of the Mahamudra tradition in particular.

Returning after a year in Tibet, His Eminence delivered this hallmark teaching from the heart of his own experience – sublime yet humble, profound and often humorous, clear and meaningful to both beginners and experienced practitioners alike. Known for his vast realization and great kindness, His Eminence Garchen Rinpoche’s past incarnations include ancient India’s Mahasiddha Aryadeva and Tibetan Siddha Gar Chodingpa, heart-student of Kyobpa Jigten Sumgon.

H.E. Garchen Rinpoche’s teachings and example show the power of compassion and wisdom to transform all afflictions and obstacles, just as his 20 year imprisonment during the political turmoil of China’s Cultural Revolution now manifests in radiant enlightened action. Released in 1979, Rinpoche has made great effort to rebuild Drikung Kagyü monasteries, reestablish Buddhist teachings, and build schools in eastern Tibet. He is founder and spiritual director of the Garchen Buddhist Institute and four other Buddhist centers in the west, and is beloved as a teacher worldwide.
